### IMPORTANT INFORMATION

It is our intention to deliver excellent Montessori schooling for 3 – 12-year-old children. We implement the Montessori Method of Education to encourage the development of confident, independent, community minded children and to inspire a life-long love of learning.

To do this, it is essential that the School and the family are compatible. In an effort to achieve this result we have developed the following criteria for families:

- Our prime criteria are: the readiness of the child for their point of entry and the compatibility of the child and family with the Montessori Method of Education as it is implemented at Casa Mia Montessori School.
- Children are admitted when they are 3 years of age or on application thereafter
- Families who will commit to a three-year minimum period. Shorter periods tend to be ineffective as well as disruptive to the School community. Please indicate your intention as to the length of time you intend your child to be at Casa Mia Montessori by ticking the relevant boxes below. (this information will greatly assist in planning the future development of the School)
  - Cycle 1 – Children’s House (3-6 years)
  - Cycle 2 – Lower Primary (6-9 years)
  - Cycle 3 – Upper Primary (9 – 12 years)
- Families who have siblings currently attending Casa Mia Montessori School
- Families from other Montessori Schools
- Date of completion of application formalities
