

Piccola Casa Playgroup

for children 1 – 3 years

Casa Mia Montessori School offers a Montessori playgroup opportunity for children under the age of three, who are walking, to 'explore and discover' in an especially prepared environment, in the company of their parent(s) and other children.

The Montessori playgroup sessions are overseen by an experienced coordinator.

Please check out our Facebook page to see the types of activities the children are enjoying.

Montessori Environment

The Montessori playgroup environment is prepared with age-appropriate equipment and activities for the parent/carers and their children to choose from.

The parent/carer and their child work independently on self-chosen activities.

The coordinator facilitates a 'music session' at the end of each session.

With the guidance of their parent/carer the children have the opportunity to grow and develop intellectually, physically, emotionally and socially.

We provide snacks for children and tea & coffee for parents.
